

## RESOLUTIONS CHECKLIST

### Tips for Writing Resolutions

1. Does the resolution state the issue clearly and concisely?
2. Does your issue have a significant agricultural impact?
3. How well does it provide direction and allow flexibility?
4. Does your resolution identify and properly describe the issue or problem?
5. Are solutions or alternatives for the issue or problem presented?
6. Is the proposed resolution cost-effective and attainable?
7. Does your resolution conflict with or duplicate current policy?
